Diving PNG - Tufi - The waters surrounding P.N.G. are exotic and still vastly unexplored. Tufi is located on the northern-eastern side of the mainland of Papua New Guinea. It lies between Lae and Alotau on the tip of Cape Nelson in the Oro Province, and is only accessible by sea and air. Tufi offers a wide variety of diving experiences. From diving the fiords to uncharted reefs and WW2 wrecks. Consistent visibility of 30 metres plus and water temperatures of 26°C to 29°C all year round. Experience our unique macro world and check out the WW2 P.T. boat wrecks. The outer reef experience is unsurpassed with a choice of dozens of world-class dive sites. The Resort is one of the most spectacular ones in PNG with all bungalows having air-conditioning, private ensuites, hot and cold showers coupled with views to make your holiday one you will never forget.
